

AAPOS – SPOSI Joint Meeting, Jaipur, India,  
Preliminary Program – Subject to changes

Friday, December 2, 2016

|  |   |
|--|---|
| 9:00 AM – 9:05 AM<br>Room A and Room B   | <b>Opening Remarks &amp; Welcome</b><br>Sean P. Donahue, MD, PhD  |
| 9:05 AM – 10:35 AM<br>Room A and Room B  | <b>Childhood Visual Impairment: Detection, Assessment, and Rehabilitation</b>   |
| 9:05 AM – 9:41 AM                        | <b>Blindness and Prevention of Visual Impairment in Children</b>  |
| 9:05 AM – 9:06 AM                        | Introduction<br>Sherwin J. Isenberg, MD   |
| 9:06 AM – 9:24 AM                        | Childhood Blindness World Wide: Current Status<br>Clare Gilbert, MB ChB, FRCOphth, MD, MSc  |
| 9:24 AM – 9:32 AM                        | The NGO's Role in Treating and Preventing Blindness<br>Marilyn T. Miller, MD<br>Victoria Sheffield, President and CEO, International Eye Foundation |
| 9:32 AM – 9:38 AM                        | Epidemiology of Eye Disease in Children Birth to 3 in a Tertiary Eye Center in India<br>P. Vijayalakshmi, MS, DO                                    |
| 9:38 AM – 9:41 AM                        | Question and Answer Session   |
| 9:41 AM – 10:06 AM                       | <b>Early Detection and Assessment of Visual Impairment in Children</b>  |
| 9:41 AM – 9:42 AM                        | Introduction<br>Linda Lawrence, MD  |
| 9:42 AM – 9:57 AM                        | How the Pediatric Ophthalmologist Diagnoses CVI and Why?<br>Gordon Dutton, MD, FRCS Ed (hon), FRCOphth  |
| 9:57 AM – 10:03 AM                       | Early Detection Should Lead to Early Intervention; Rural Initiatives<br>Kalpana Narendran, MBBS, DO, DNB  |
| 10:03 AM – 10:06 AM                      | Question and Answer Session   |
| 10:06 AM – 10:35 AM                      | <b>Rehabilitation for Children with Visual Impairment</b>   |
| 10:06 AM – 10:07 AM                      | Introduction<br>Albert Biglan, MD   |
| 10:07 AM – 10:17 AM                      | Interventions from the Ophthalmologist's Perspective<br>Lea Hyvärinen, MD, PhD  |
| 10:17 AM – 10:25 AM                      | Interventions from the Rehabilitation Specialist's Perspective<br>Namita Jacob, PhD   |
| 10:25 AM – 10:31 AM                      | A Model: Integration of Detection, Assessment and Rehabilitation at a Center in India<br>Kaushik Murali, DipNB Ophth                                |
| 10:31 AM – 10:35 AM                      | Question and Answer Session   |
| 10:35 AM – 10:45 AM<br>Room A and Room B | International Pediatric Ophthalmology Council (IPOSC) Presentation<br>Derek Sprunger, MD  |
| 10:45 AM – 11:00 AM                      | Tea Break   |
| 11:00 AM – 12:15 PM<br>Room A            | <b>Pediatric Retinal Problems – Retinopathy of Prematurity and Infectious Retinopathy</b>   |
| 11:00 AM – 11:01 AM                      | Introduction<br>Moderator   |
| 11:01 AM – 11:11 AM                      | New Drugs, Techniques or Technology Changeover – Misleading Evidences<br>P N Nagpal – Guest of Honor  |
| 11:11 AM – 11:19 AM                      | Cost-Effectiveness of ROP Telemedicine in the US<br>Graham Quinn, MD  |
| 11:19 AM – 11:27 AM                      | Imaging for ROP, Going Beyond Color Fundus Photography<br>Paul Chan   |
| 11:27 AM – 11:35 AM                      | ROP<br>Rajvardhan Azad  |
| 11:35 AM – 11:43 AM                      | Role of Surgery in the Management of Retinopathy of Prematurity<br>Lingam Gopal   |
| 11:43 AM – 11:51 AM                      | Does Laser Still have a Role in the Treatment of ROP?<br>Glen Gole, MD, FRANZCO   |
| 11:51 AM – 11:59 AM                      | Seeing the Unseen: Using Retinal Imaging to Understand Visual Development in Infants<br>Anand Vinekar   |
| 11:59 AM – 12:07 PM                      | Pediatric Retinal Conditions for the Pediatric Ophthalmologist<br>Chaitra Jayadev   |
| 12:07 PM – 12:15 PM                      | Question and Answer Session   |
| 11:00 AM – 12:15 PM<br>Room B            | <b>Pediatric Refractive Errors – Medical and Surgical Treatment Options</b>   |
| 11:00 AM – 11:01 AM                      | Introduction<br>Moderator   |
| 11:01 AM – 11:09 AM                      | Hypermetropia in Children – Natural Course and Optical Correction   |

|  |   |
|--|---|
|  | Siddharth Agarwal   |
| 11:09 AM – 11:17 AM                    | Cycloplegic Refraction in Young Adults: Is it Mandatory?<br>Eedy Mezer                      |
| 11:17 AM – 11:25 AM                    | Myopia in Children – Natural Course and Optical Correction<br>Yogesh Shukla                 |
| 11:25 AM – 11:33 AM                    | Modifying Myopic Progression - Atropine<br>Chong Bin Tsai                                   |
| 11:33 AM – 11:41 AM                    | Modifying Myopic Progression – Non-Atropine<br>Jason Yam                                    |
| 11:41 AM – 11:49 AM                    | The Myths of Spectacle Prescribing in Children<br>Kimberley Tan                             |
| 11:49 AM – 11:57 AM                    | Laser Refractive Surgery in Children<br>Evelyn Paysse                                       |
| 11:57 AM – 12:05 PM                    | Non-Laser Refractive Surgery in Children<br>Erin Stahl                                      |
| 12:05 PM – 12:15 PM                    | Question and Answer Session   |
| 12:15 PM – 1:15 PM                     | Lunch Break   |
| 1:15 PM – 1:45 PM<br>Room A and Room B | <b>Keynote Speaker – David L. Guyton, MD</b>  |
| 1:15 PM – 1:20 PM                      | <b>Introduction of Keynote Speaker</b>  |
| 1:20 PM – 1:45 PM                      | <b>Lecture</b><br>David L. Guyton, MD   |
| 1:45 PM – 3:00 PM<br>Room A and Room B | <b>Complex Strabismus – Vertical Strabismus</b>   |
| 1:45 PM – 1:46 PM                      | Introduction<br>Moderator   |
| 1:46 PM – 1:56 PM                      | DVD surgery is Simple: Not Always!!<br>Susana Gamio   |
| 1:56 PM – 2:06 PM                      | Superior Oblique Palsy: What Next When First Surgery Fails?<br>Justin Mora, FRANZCO         |
| 2:06 PM – 2:16 PM                      | Diplopia after Retina Surgery: Leave or Remove the Hardware?<br>Stephen P. Kraft, MD, FRCSC |
| 2:16 PM – 2:26 PM                      | A, V, Y: Surgery for Alphabet Pattern Strabismus<br>Branislav Stankovic, MD, PhD            |
| 2:26 PM – 2:36 PM                      | Adjustable Sutures for Vertical Strabismus? Yes!<br>David L. Guyton, MD                     |
| 2:36 PM – 2:46 PM                      | Botulinum Toxin for Vertical Strabismus? Yes!<br>Seyhan Ozkan, MD                           |
| 2:46 PM – 3:00 PM                      | Question and Answer Session   |
| 3:00 PM – 3:15 PM                      | Tea Break   |
| 3:20 PM – 4:10 PM<br>Room A            | <b>Pediatric Uveitis</b>  |
| 3:20 PM – 3:21 PM                      | Introduction<br>Moderator   |
| 3:21 PM – 3:31 PM                      | Uveitis Etiologies and Treatments<br>Anne Marie Lobo  |
| 3:31 PM – 3:41 PM                      | Drugs for the Treatment of Pediatric Uveitis<br>Nasrin Najm-Tehrani                         |
| 3:41 PM – 3:51 PM                      | Ophthalmia Neonatorum<br>Tamara Wygnanski-Jaffe   |
| 3:51 PM – 4:01 PM                      | Congenital Toxoplasmosis<br>Marilyn Mets  |
| 4:01 PM – 4:10 PM                      | Question and Answer Session   |
| 3:20 PM – 4:10 PM<br>Room B            | <b>Innovative Strabismus Surgery Techniques</b>   |
| 3:20 PM – 3:21 PM                      | Introduction<br>Moderator   |
| 3:21 PM – 3:28 PM                      | Drugs for Strabismus – Update for 2016<br>Stephen Christiansen                              |
| 3:28 PM – 3:35 PM                      | Peroperative Elongation Testing in Oblique Muscles<br>Vincent Paris, MD                     |
| 3:35 PM – 3:42 PM                      | Surgical Management of Third Nerve Palsy – Risks and Benefits of Innovation<br>Linda Dagj   |
| 3:42 PM – 3:49 PM                      | Management of Restrictive Strabismus in Thyroid Eye Disease<br>An-Guor Wang, MD, PhD        |
| 3:49 PM – 3:56 PM                      | Management of DRS: A Rational Approach  |

|                             |  |
|-----------------------------|--|
|                             | Pradeep Sharma   |
| 3:56 PM – 4:03 PM           | A Novel Algorithm for Esotropia Surgery Dosage Based on Mathematical Modeling<br>Igor Aznaurayan                                   |
| 4:03 PM – 4:10 PM           | Question and Answer Session  |
| 4:15 PM – 5:15 PM<br>Room A | <b>Ocular Trauma</b>   |
| 4:15 PM – 4:16 PM           | Introduction<br>Moderator  |
| 4:16 PM – 4:26 PM           | Penetrating Globe Trauma<br>Ramesh Murthy  |
| 4:26 PM – 4:36 PM           | Non-Penetrating Globe Trauma<br>James Elder, MBBS, FRANZCO, FRACS  |
| 4:36 PM – 4:46 PM           | Non-Accidental Trauma<br>Erick Bothun, MD  |
| 4:46 PM – 4:56 PM           | Orbital Trauma<br>Shashikant Shetty, MS  |
| 4:56 PM – 5:06 PM           | Post Trauma Strabismus<br>Venkateshwar Rao Bhoompally, MD  |
| 5:06 PM – 5:15 PM           | Questions and Answers  |
| 4:15 PM – 5:15 PM<br>Room B | <b>Pediatric Glaucoma</b>  |
| 4:15 PM – 4:16 PM           | Introduction<br>Moderator  |
| 4:16 PM – 4:24 PM           | Primary Combined Trabeculotomy-Trabeculectomy for Congenital Glaucoma: My 25 Years of Experience<br>Anil K. Mandal, MD, DNB, FNAMS |
| 4:24 PM – 4:32 PM           | Glaucoma Drainage Devices for Pediatric Glaucoma<br>Balekudaru Shantha   |
| 4:32 PM – 4:40 PM           | Approach to Childhood Glaucoma Other than Primary Congenital Glaucoma<br>Lingam Vijaya, MS Ophth                                   |
| 4:40 PM – 4:48 PM           | Optic Neuropathies Mimicking Glaucoma in Kids<br>Mays El Dairi, MD   |
| 4:48 PM – 4:56 PM           | Angular Surgery for Aphakic and Pseudophakic Glaucoma<br>Bibiana Reiser, MD, MS  |
| 4:56 PM – 5:04 PM           | Endocyclophotocoagulation for Aphakic Glaucoma<br>Yasmin Bradfield, MD   |
| 5:04 PM – 5:15 PM           | Question and Answer Session  |

### Saturday, December 3, 2016

|                              |   |
|------------------------------|---|
| 9:00 AM – 10:05 AM<br>Room A | <b>Free Papers</b>  |
| 9:00 AM – 9:07 AM            | Free Paper #1   |
| 9:07 AM – 9:14 AM            | Free Paper #2   |
| 9:14 AM – 9:21 AM            | Free Paper #3   |
| 9:21 AM – 9:28 AM            | Free Paper #4   |
| 9:28 AM – 9:35 AM            | Free Paper #5   |
| 9:35 AM – 9:42 AM            | Free Paper #6   |
| 9:42 AM – 9:49 AM            | Free Paper #7   |
| 9:49 AM – 9:56 AM            | Free Paper #8   |
| 9:56 AM – 10:05 AM           | Panel Discussion  |
| 9:00 AM – 10:05 AM<br>Room B | <b>AAO Preferred Practice Patterns – The Pediatric Eye Exam</b>                 |
| 9:00 AM – 9:01 AM            | Introduction<br>Moderator   |
| 9:01 AM – 9:11 AM            | The Pediatric Eye Exam – Tips and Tricks for Success<br>Mary O'Hara, MD         |
| 9:11 AM – 9:21 AM            | Examination of the Neuro-Developmentally Disabled Child<br>M. Edward Wilson, MD |

|                               |   |
|-------------------------------|---|
| 9:21 AM – 9:31 AM             | How to Prescribe Glasses in Children<br>Mary Louise Z. Collins, MD                                  |
| 9:31 AM – 9:41 AM             | Amblyopia – Etiology and Diagnosis<br>Patrick J. Droste, MD   |
| 9:41 AM – 9:51 AM             | Amblyopia – Management in 2016<br>Robert Wiggins, MD  |
| 9:51 AM – 10:05 AM            | Question and Answer Session   |
| 10:10 AM – 11:15 AM<br>Room A | <b>Free Papers</b>  |
| 10:10 AM – 10:17 AM           | Free Paper #9   |
| 10:17 AM – 10:24 AM           | Free Paper #10  |
| 10:24 AM – 10:31 AM           | Free Paper #11  |
| 10:31 AM – 10:38 AM           | Free Paper #12  |
| 10:38 AM – 10:45 AM           | Free Paper #13  |
| 10:45 AM – 10:52 AM           | Free Paper #14  |
| 10:52 AM – 10:59 AM           | Free Paper #15  |
| 10:59 AM – 11:06 AM           | Free Paper #16  |
| 11:06 AM – 11:15 AM           | Panel Discussion  |
| 10:10 AM – 11:15 AM<br>Room B | <b>AAO Preferred Practice Patterns – Childhood Strabismus</b>                                       |
| 10:10 AM – 10:11 AM           | Introduction<br>Moderator   |
| 10:11 AM – 10:20 AM           | Principles of Treatment of Childhood Strabismus<br>John D. Roarty, MD                               |
| 10:20 AM – 10:29 AM           | Sensory Testing in Pediatric Strabismus Patients<br>Daniel Weaver, MD                               |
| 10:29 AM – 10:38 AM           | Childhood Esotropia<br>Brian Mohny, MD  |
| 10:38 AM – 10:47 AM           | Childhood Exotropia<br>K. David Epley, MD   |
| 10:47 AM – 10:56 AM           | Pattern Strabismus<br>Robert Hoffman, MD  |
| 10:56 AM – 11:05 AM           | Childhood Strabismus – Things not to Miss, Indicators of Systemic Disease<br>David Robbins Tien, MD |
| 11:05 AM – 11:15 AM           | Question and Answer Session   |
| 11:15 AM – 11:30 AM           | Tea Break   |
| 11:30 AM – 12:45 PM<br>Room A | <b>Orthoptic Symposium</b>  |
| 11:30 AM – 11:31 AM           | Introduction<br>Ronald Biernacki, CO, COMT  |
| 11:31 AM – 11:40 AM           | Interacting with a Difficult Child<br>Ronald Biernacki, CO, COMT                                    |
| 11:40 AM – 11:49 AM           | Orthoptic Enhancement of Visual Potential in Amblyopia<br>Zoran Pejic                               |
| 11:49 AM – 11:58 AM           | Non-Surgical Treatment of Esotropia<br>Mary De Young Smith, CO                                      |
| 11:58 AM – 12:07 PM           | Orthoptic Management of Intermittent Exotropia<br>Kakeru Ode  |
| 12:07 PM – 12:16 PM           | Prevalence of and Risk Factors of Strabismus<br>Kathryn Rose  |
| 12:16 PM – 12:25 PM           | The Use of Fresnel Prisms in Strabismus<br>Bruce Furr, CO, PhD                                      |
| 12:25 PM – 12:34 PM           | Evaluation of Nystagmus<br>Muthulakshmi   |
| 12:34 PM – 12:45 PM           | Question and Answer Session   |
| 11:30 AM – 12:45 PM<br>Room B | <b>Ocular Genetics and Genetic Strabismus Syndromes</b>   |
| 11:30 AM – 11:31 AM           | Introduction  |

|  |  |
|--|--|
|  | Moderator  |
| 11:31 AM – 11:42 AM                    | Genotype/phenotype Correlations in Retinal Dystrophies and Ciliopathies<br>Arif Khan                             |
| 11:42 AM – 11:53 AM                    | Congenital Cranial Dysinnervation Disorders (CCDDs)<br>Maree Flaherty  |
| 11:53 AM – 12:04 PM                    | Phenotype-Genotype Correlation in Albinism<br>Deepa Taranath   |
| 12:04 PM – 12:15 PM                    | Neuro-cutaneous Genetic Disorders of Ophthalmic Importance<br>A.S. Karthikeyan                                   |
| 12:15 PM – 12:26 PM                    | Genetic Counselling: Running a Clinic in India<br>Govindasamy Kumaramanickavel                                   |
| 12:26 PM – 12:37 PM                    | Genomics in Managing Congenital Cataracts<br>Chris Lloyd   |
| 12:37 PM – 12:45 PM                    | Question and Answer Session  |
